

Quality Terms and Conditions

- ❖ Any delay in shipment for any reason must be conveyed to TMI Purchasing as soon as supplier knows the delay.
- ❖ Any changes to the contract requirements by the supplier must be approved by TMI in writing.
- ❖ The supplier must hold all information in the contract in confidence and no third party request for information will be authorized unless instructed in writing by TMI representative.
- ❖ In addition to TMI right of entry, the supplier agrees to right of entry for our customers, or regulatory agencies, to all facilities and records in the performance of this contract.
- ❖ All applicable requirements must be flowed down to sub-tier suppliers.
- ❖ Suppliers are required to notify TMI quality department prior to transferring any TMI work to a new facility. TMI'S Q.A. Manager will determine prior to the transfer if suppliers may perform the transfer of work.
- ❖ Suppliers are required to notify TMI quality department of nonconforming product and to make proper arrangements for approval.
- ❖ The supplier shall maintain adequate records of all inspections and tests. Records shall be kept for a period of ten (10) years after final payment for supplies or services.
- ❖ All work must be processed per latest revision unless otherwise instructed on purchase order.
- ❖ Compliance to ISO 9001 Quality Management System.
- ❖ Provide Material Safety Data Sheets (MSDS) and/or certificates of compliances for restricted, toxic or hazardous substances.
- ❖ Machining Suppliers must furnish inspection report, Certificate of Conformance, and as applicable Material and Processing Certifications for the parts they submit.
- ❖ First Article Inspection Reports shall be submitted to TMI prior to the beginning of production. The supplier assumes all financial responsibility for replacement, rework and material when production of parts has begun without First Article Inspection approval from TMI.
- ❖ Processing suppliers must furnish processing certifications to the purchase order requirements, and shall not process any parts for which they are not certified or approved.
- ❖ Material suppliers must furnish material certifications to the purchase order requirements, and shall not supply material for which they are not certified or approved.

Suppliers to TMI must comply with these basic Quality Clauses
Additional Quality Clauses will be noted on the Purchase Order as required.
